

BP 6600 Capital Construction

The District will improve the physical learning environment and access by upgrading and renovating current facilities and adding additional facilities as appropriate, within the limits of District resources.

The Superintendent/President is responsible for planning and administrative management of the District's capital outlay and construction program.

District construction projects shall be supervised by the Superintendent/President. The District shall monitor the progress of all construction work, including inspection of workmanship, completion of work to meet specifications, and the suitability of proposed changes to the scope and original design of the work. The Superintendent/President shall assure compliance with laws related to use of state funds to acquire and convert existing buildings.

The Governing Board shall approve and submit to the Board of Governors a five-year capital construction plan as required by law. The Superintendent/President shall annually update the plan and present it to the Governing Board for approval. The plan shall address, but is not limited to, the criteria contained in law.
